DIRECTOR'S UPDATE:

Nine years ago, we held our first informational meeting for HHR at the local community center. Approx 25 people came to hear my heart and my dream for HHR. After many closed doors (Little did we know God had just the right property for us), additional meetings, non profit paperwork, finding board members, patience, tears, and the list goes on, God brought us to this location in 2017.

A group of kids and adults built the fence by hand. Slowly every year we started to grow. Then God opened some big doors for us this summer and allowed us to build this barn. We are currently \$7,000 short but trust that God will continue to fill in the gap and provide the funds in addition to funds for the electricity. Our vision for the barn is to keep animals warm in the winter, have a place for kids to hang out when the weather doesn't cooperate, an office, handicap bathroom (currently pay \$170/month for a port a potty), area for merchandise, and small kitchen area.

Shayla, Delbert, and Jacob

Thank you to those of you who prayed for our friend Jacob. We are so thankful he is feeling better. He stopped by to see us and say goodbye until next season. We even got a few vehicles to honk their horns before he left. #honkforjacob

One of our missions at HHR is to teach the kids who visit how to raise their own food and we're thankful to be able to share the fruits of our labors with the families and groups that visit the ranch. (Pictured right)

Thank you so much to everyone who came and volunteered for our first fundraiser!

We had 83 people attend the fundraiser and we were able to raise \$7700 for our barn project!

Thank you to Artesian Homes Charitable Fund of the Initiative Foundation in Little Falls, MN for a \$10,000 donation!

We still need to purchase and install a barn door, get electrical for the barn, install 2 horse stalls, move animals and cages to the barn, and do some dirt work and mild landscaping.

We were blessed to serve a variety of groups this summer including :
Adult day service groups, foster families, individual kids, and moms groups.
