DIRECTOR'S UPDATE:

As we look back on 2023 we have so many things to be thankful for.

This year we had a total of 50 volunteers! We had our first annual Hoedown Fundraiser. We continued our Forever Families Foster events and we had various groups visit and play with the animals. I got to speak at Rotary and we were able to put up our barn!

Looking forward to 2024, we have many dreams and goals for the Ranch. A few of our goals include, getting electricity to the barn and doing landscaping around it. We'd also like to create a fire pit area, upgrade our chicken coop, plant more fruit trees, and do some landscaping around the flagpole. As far as our community outreach is concerned, we'd like to expand our “Forever Families” events, speak to more local groups, host a week long day camp, and continue to provide opportunities for groups to visit. Dreams we have for the future would be, to plow the rest of the acreage and plant some kind of crop. We'd like to finish off the office and handicap restroom in the barn. We'd also like to add more fencing so we could have a couple of cows. We'd love to have consistent volunteers to help teach our kids how to garden, do wood working, and general animal care. ~Anita Mycke, Director/Founder

We've had some changes to our animals this winter. So currently we have Bruiser, Casper, Little Bit, Bingo and a 1 year old miniature pony Mko. We also have two ducks, two rabbits, two kittens and some chickens

We got to be in the Parade of Lights this Thanksgiving

Our rabbits love visitors
